1 An Ordinance amending Ordinance No. 68572, which ordinance relates to a lease (the “Ground  
2 Lease”) between The City of St. Louis, Missouri (the “City”) and the Port Authority Commission  
3 of The City of St. Louis (“Port”) for certain land and improvements comprising the Municipal  
4 River Terminal (“MRT”) on the North River Front, approved by the Board of Estimate and  
5 Apportionment, the Port Commission and the Board of Public Service; authorizing an extension  
6 of time to the Ground Lease authorized under said ordinance, and thereby authorizing the  
7 execution of a first amendment (the “First Amendment”) to a lease agreement (the “Port Lease  
8 Agreement”) in order to extend the term to twenty-five (25) years by and between the Port and  
9 SCF Lewis and Clark Terminals, LLC (“SCF”) and approving the form of the Standard  
10 Provisions, as modified, attached to said Port Lease Agreement; authorizing other matters with  
11 respect thereto, and containing a severability clause.

12 **WHEREAS**, the City, by Ordinance No. 68572, did lease for twenty-five (25) years  
13 certain land and improvements comprising the MRT on the North River Front to the Port on or  
14 about March 1, 2012 for the Port to sublease said land and improvements to the highest and best  
15 bidder and requires the parties to, at a minimum, comply with the Standard Provisions; and

16 **WHEREAS**, two (2) requests for proposals were issued due to the withdrawal of  
17 potential lessees in the negotiation process for the highest and best bidders over a period of  
18 approximately three (3) years; and

19 **WHEREAS**, the Port has now selected SCF as its lessee and is desirous of entering into  
20 a twenty-five (25) year Port Lease Agreement as allowed in the City Charter, Article 1, Section

22 Lease to twenty-five (25) years; and

1       **WHEREAS**, Ordinance 68572 required the parties to comply with the Standard  
2 Provisions; and

3       **WHEREAS**, the parties to the Port Lease Agreement determined that certain terms of the  
4 Standard Provisions conflicted with the terms of the Port Lease Agreement, as negotiated, and  
5 consequently the Standard Provisions as required by Ordinance No. 68572 were required to be  
6 modified, in part; and

7       **WHEREAS**, the Port desires to now utilize the Standard Provisions, as modified, and as  
8 will be attached to the Port Lease Agreement with SCF.
